Mr and Mrs Laube,
Mowbray House
44-46 Kingston Ave
DAW PARK SA 5041

Dear Helen and Peter,

MOWBRAY HOUSE
Testimonial

I am happy to express my support for the proprietors of Mowbray House, Daw Park South Australia.

I have had the privilege to administer the affairs of a permanent resident of Mowbray House for the past 25 years at least.

Before my client took up residence at Mowbray House, I experienced considerable difficulty in finding suitable accommodation anywhere in the Adelaide Metropolitan area.

For the past 25 years at least, my client has been very happy at Mowbray House. Suitable, comfortable and clean accommodation has been provided at all times and meals and other services are outstanding in quality and quantity.

More importantly perhaps is the fact that my client has enjoyed a family atmosphere and the proprietors have gone out of their way to see that health and welfare services, and general support has been available at all times.

I highly recommend Mowbray House to those in need of the services provided by the proprietors.

Yours Truly
